Draws

As in previous years, the Sports Commission will circulate entries received for revision prior to arriving in Wollongong (approximately 2 weeks prior to the Championships).

To speed up the draw proceedings - this year the Sports Commission will do the draws immediately after the weigh-in and distribute the completed draws to managers for checking prior to the managers meeting. Where mistakes have been detected, such as players being in the wrong weight divisions, the impacted draws will be re-drawn at the managers meeting. Changes to names will not be permitted as these will be corrected as part of the entry checking process in the fortnight leading into the Championships.
